

NOVEMBER 15TH - 18TH

**FEATURING OVER 150 WHISKIES AT 15-30% OFF
ONLINE AT [STRATHLIQUOR.COM](https://strathliquor.com) & IN-STORE AT 919 DOUGLAS ST**

Welcome to The Strath's 2024 whisky sale!

Things are a little different to the 2023 sale. Last year we had our biggest sale ever, with over 300 bottles across all spirits. This year we shift the focus back to whisky, and we're giving bigger discounts across the board. Absolutely everything in this book is at least 15% off. Because, let's face it - after the year we've had, we could all do with a bargain.

You'll see all of our single cask exclusives here as well, and some of them are getting quite low in stock now. We've really enjoyed presenting these whiskies over the last year, and I'm incredibly proud of each and every one of them. Hopefully many of you have had the chance to enjoy a sample of them with us in store or across the many festivals and events we've been a part of in 2024.

A heartfelt thank you to all of our customers and community for your support throughout the last year. Whether you join us locally or online, your enthusiasm and passion for our programs here at The Strath mean the world to us. If you have any questions, you can always reach me at adam@thestrath.ca

Cheers,

Adam Bradshaw - Strath Whisky Curator

Amrut 2015 Single Cask Strath Exclusive Bottling

If you've never had an Indian single malt, you're probably wondering why on earth we bought a whole cask. However if you know your stuff, you'll understand exactly why this is so exciting. This is one of the oldest Amruts ever released here in BC, and it's made with peated Scottish barley fully matured in ex-oloroso casks from Spain. It's also about half of the price of equivalent bottles in this market. One of Adam's all time favourite releases. 60.0% abv
